Students paying the **full fee who have not opted for a payment plan** will receive an invoice for the total cost of the Unit of Study following the census date with 14 day payment terms.

Students paying the **full fee** who have taken out a payment plan will receive an invoice each fortnight, fourteen days from course commencement date until the course end date. The total course fee will be distributed evenly across these invoices for the life of the course.

Students accessing a **subsidised training place** (South Australian residents only) will receive an invoice for the Tuition Gap Fee following the census date with 14 day payment terms.
