Train the facilitator – Therapeutic group programmes for children

Running group programs for children can be challenging. Together4Kids have developed three group programs specifically for children who have experienced homelessness or domestic or family violence. Each program has a comprehensive facilitator’s manual with all the information and resources needed to run a group programme. In this two day training workshop you will learn about the theories that underpin the group process and be given tips and advice on how to run a group successfully.

There will be time to practice some of the exercises and familiarise yourself with our T4K group programmes. Copies of The Pirates Group (boys aged 5 – 9) Caterpillars to Butterflies (girls aged 5 – 9) and The Garden (parent and infant 0 – 3 yrs) will be available to participants.
